- 🏠 Continue to the Terrace of the Elephants and the Terrace of the Leper Kings, former spaces for public ceremonies, both adorned with dramatic bas reliefs. Visit the ruined Baphoun, royal enclosure and Phimeanakas before continuing to the mysterious Bayon Temple. In this temple, one of the most popular and compelling in Angkor, explore the galleries of beautifully preserved bas reliefs and ascend narrow stairs to reach the central sanctuary, where you will find giant stone faces smiling enigmatically down at you from every angle.
